

2nd Annual Scientific Meeting of AHAD-AP in collaboration with IAHAD

VIRTUAL SEPTEMBER 16 - 17, 2022

SCIENTIFIC PROGRAM

“Access for all: Towards better haemophilia care in the Asia Pacific region through partnership”

September 16, 2022 (Friday)

09:50-12:00 PM		HALL A	
		<i>Moderator: Toshirenla Aier, AHAD-AP, Kohima.</i>	
09:50-10:00 AM	Welcome note: AHAD-AP ASM 2022 <i>Shashikant Apte, Sahyadri Speciality Hospital, Pune.</i> <i>Tadashi Matsushita, Nagoya University Hospital, Nagoya.</i>		
10:00-12:00 PM	Plenary Session <i>Chair: Alok Srivastava, Christian Medical College, Vellore.</i>		
10:00-10:20 AM	Global pricing, and access to Emicizumab and EHLs <i>Speaker: Brian O'Mahony, Irish Haemophilia Society, Dublin.</i>		
10:20-10:30 AM	Discussion		
10:30-10:50 AM	Annual global survey – Current status of AP region <i>Speaker: Ellia Tootoonchian, World Federation of Hemophilia, Montreal.</i>		
10:50-11:00 AM	Discussion		
11:00-12:00 PM	Adaptation of the WFH guidelines 2020: Possibilities and Challenges Nepal <i>Bishesh Poudyal, Civil Service Hospital, Kathmandu.</i> Sri Lanka <i>Visaka Ratnamalala, National Hospital of Sri Lanka, Colombo.</i> Indonesia <i>Novie Amelia Chozie, Dr. Cipto Mangunkusumo Hospital, Jakarta.</i> Japan <i>Tadashi Matsushita, Nagoya University Hospital, Nagoya.</i>		
12:00-12:45 PM		Hall A	Hall B
		Novo Nordisk Symposium Welcome & Introduction <i>Myriam Dardikh, Novo Nordisk APAC.</i> Stopping the bleed is not enough—musculoskeletal (MSK) management is equally important <i>Speaker: Judy Ann David, Christian Medical College, Vellore.</i>	Chugai Symposium Welcome & Introduction <i>Tadashi Matsushita, Nagoya University Hospital, Nagoya.</i> Efficacy and safety of Emicizumab in Haemophilia A patient with inhibitor-Cases Sharing from Taiwan. <i>Speaker: Yeu-Chin Chen, Tri-Service General Hospital, Taipei.</i> Discussion

2nd Annual Scientific Meeting of AHAD-AP in collaboration with IAHAD

VIRTUAL SEPTEMBER 16 - 17, 2022

	<p>Moving towards new possibilities to manage haemophilia: Concizumab <i>Speaker: Kingsley Hampton, Royal Hallamshire Hospital, Sheffield.</i></p> <p>Discussion</p>		
12:45-01:00 PM	BREAK		
01:00-03:00 PM	<p>Hall A: Physician Stream <i>Moderator: Fitri Primacakti, Dr. Cipto Mangunkusumo Hospital, Jakarta.</i></p>	<p>Hall B: Nursing Stream <i>Moderator: Lingling Chen, Institute of Hematology and Blood Diseases Hospital, Chinese Academy of Medical Sciences, Tianjin.</i></p>	<p>Hall C: Musculoskeletal Stream <i>Moderator: Mridul Makkar, Christian Medical College, Ludhiana.</i></p>
	<p><i>Chair: Darintr Sosothikul, Chulalongkorn University, Bangkok.</i></p>	<p><i>Chair: Penny McCarthy, Ronald Sawers Haemophilia Centre, Melbourne.</i></p>	<p><i>Chair: Judy Ann David, Christian Medical College, Vellore.</i></p>
01:00-01:20 PM	<p>Debate</p> <p><i>Moderator: M Joseph John, Christian Medical College, Ludhiana.</i></p> <p>Inhibitors must be eradicated <i>Speaker: Joyce Lam Ching Mei, KK Women's and Children's Hospital, Singapore.</i></p> <p>Bleeding control is enough <i>Speaker: Ampaiwan Chuansumrit, Ramathibodi Hospital, Mahidol University, Bangkok.</i></p>	<p>Haemophilia Carrier - A hidden Challenge <i>Speaker: Devika Danekhu, Civil Service Hospital, Kathmandu.</i></p>	<p>Physiotherapy protocols for management of joint synovitis and arthropathy in a limited resource setting <i>Speaker: Merlyn Tilak, Christian Medical College, Vellore.</i></p>
01:20-01:30 PM	Rebuttal	Discussion	Discussion
01:30-01:50 PM	<p>AAV-based GT for Haemophilia – Status and Access <i>Speaker: Wolfgang A. Miesbach, Frankfurt University Hospital, Frankfurt.</i></p>	<p>Nurse support for healthy independent living <i>Speaker: Lim Chiew Ying, KK Women's and Children's Hospital, Singapore.</i></p>	<p>Play therapy/ sports activity among children with haemophilia <i>Speaker: NG Shin Huey, KK Women's and Children's Hospital, Singapore.</i></p>
01:50-02:00 PM	Discussion	Discussion	Discussion

2nd Annual Scientific Meeting of AHAD-AP in collaboration with IAHAD

VIRTUAL SEPTEMBER 16 - 17, 2022

02:00-02:20 PM	Laboratory approach to women and girls with bleeding disorders <i>Speaker: Shrimati Dharmapal Shetty, K.J.Somaiya Hospital & Research Center, Mumbai.</i>	Nurse-led research in Haemophilia for AP region <i>Speaker: Kuixing Li, Peking Union Medical College Hospital, Beijing.</i>	Telerehabilitation In Haemophilia- A Model for Teaching, Training as well as Treatment <i>Speaker: Valentina Begnozzi, Haemophilia & Trombosis Centre, Angelo Bianchi Bonomi, Milan.</i>
02:20-02:30 PM	Discussion	Discussion	Discussion
02:30-02:50 PM	Early Prophylaxis in Haemophilia <i>Speaker: Anupam Dutta, Assam Medical College and Hospital, Dibrugarh.</i>	Haemophilia Nurse - Challenges and Opportunities <i>India: Abraham Sunder Singh, Christian Medical College, Vellore.</i> <i>Malaysia: Zuraida Binti Saari, Hospital Ampang, Ampang.</i> <i>New Zealand: BJ Ramsay, Wellington Hospital, Newtown.</i>	Detecting blood in the joint <i>Speaker: N Shyam Kumar, Christian Medical College, Vellore.</i>
02:50-03:00 PM	Discussion	Discussion	Discussion
03:00-03:10 PM	Anamnesis: Recap and highlights <i>Novie Amelia Chozie, Dr. Cipto Mangunkusumo Hospital, Jakarta.</i>	Anamnesis: Recap and highlights <i>Anjalin D'Souza, Manipal University, Manipal.</i>	Anamnesis: Recap and highlights <i>Mridul Makkar, Christian Medical College, Ludhiana.</i>

September 17, 2022, Saturday

10:00-11:00 AM	HALL A <i>Moderator: Tadashi Matsushita, Nagoya University Hospital, Nagoya.</i>
	Plenary Session <i>Chair: Alison Street, Monash University, Melbourne.</i>
10:00-10:20 AM	Gene therapy for haemophilia: What is new? <i>Speaker: Alok Srivastava, Christian Medical College, Vellore.</i>
10:20-10:30 AM	Discussion
10:30-10:50 AM	Management of comorbidities in ageing People with Haemophilia. <i>Speaker: Susie Shapiro, The Oxford Haemophilia and Thrombosis Centre, Oxford.</i>
10:50-11:00 AM	Discussion

2nd Annual Scientific Meeting of AHAD-AP in collaboration with IAHAD

VIRTUAL SEPTEMBER 16 - 17, 2022

11:00-12:00 PM	Hall A: Physician Stream Moderator: <i>Tadashi Matsushita, Nagoya University Hospital, Nagoya.</i>	Hall B: Laboratory Stream Moderator: <i>Rutvi Dave, Christian Medical College, Vellore.</i>	Hall C: Musculoskeletal Stream Moderator: <i>Naveen Cherian Thomas, Christian Medical College, Vellore.</i>
	Chair: <i>Chean Sophal, National Pediatric Hospital, Phnom Penh.</i>	Chair: <i>Tulasi Geevar, Christian Medical College, Vellore.</i>	Chair: <i>Hideyuki Takedani, IMSUT Hospital of the Institute of Medical Science, Tokyo.</i>
11:00-11:20 AM	Low dose prophylaxis Speaker: <i>Runhui Wu, Beijing Children's Hospital, Capital Medical University, Beijing.</i>	Debate Moderator: <i>Emna Gouider, Aziza Othmana Hospital, Tunis.</i> Chromogenic Assay is essential in the management of Haemophilia A Speaker: <i>Tien Sim Leng, Singapore General Hospital, Singapore.</i> One-stage assay is adequate in the management of Haemophilia A Speaker: <i>Veena Selvaratnam, Hospital Ampang, Ampang.</i>	Self-reported measures of activities and participation in persons with Haemophilia Speaker: <i>Pradeep Poonnoose, Christian Medical College, Vellore.</i>
11:20-11:30 AM	Discussion	Rebuttal	Discussion
11:30-11:50 AM	Acquired Haemophilia A Speaker: <i>NG Heng Joo, Singapore General Hospital, Singapore.</i>	Controversies on Inhibitor Assays Speaker: <i>Sukesh C Nair, Christian Medical College, Vellore.</i>	Objective measures of physical activity for monitoring people with haemophilia Speaker: <i>Adly Sabbour, School of Physical Therapy, BADR University, Cairo.</i>
11:50-12:00 PM	Discussion	Discussion	Discussion
12:00-12:45 PM	Hall A		
	Pfizer Symposium Welcome and Introductions <i>Pantep Angchaisuksiri, Ramathibodi Hospital; Mahidol University, Bangkok.</i> Strategies for prophylaxis versus on-demand treatment with limited resources for haemophilia management Speaker: <i>Darintr Sosothikul, Chulalongkorn University, Bangkok.</i> Discussion		

2nd Annual Scientific Meeting of AHAD-AP in collaboration with IAHAD

VIRTUAL SEPTEMBER 16 - 17, 2022

12:45-01:00 PM	BREAK		
01:00-02:00 PM	Hall A: Physician Stream Moderator: Tadashi Matsushita, Nagoya University Hospital, Nagoya.	Hall B: Laboratory Stream Moderator: Tien Sim Leng, Singapore General Hospital, Singapore.	Hall C: Musculoskeletal Stream Moderator: Naveen Cherian Thomas, Christian Medical College, Vellore.
	Chair: Renchi Yang, Institute of Hematology and Blood Diseases Hospital, Chinese Academy of Medical Sciences and Peking Union Medical College, Tianjin.	Co-Chairs: Emmanuel J Favalora, Institute of Clinical Pathology and Medical Research (ICPMR), Westmead. Jasmita Dass, All India Institute of Medical Sciences, New Delhi.	Chair: Angela Tulaar, Dr. Cipto Mangunkusumo Hospital, Jakarta.
01:00-01:20 PM	"Better among the best" - Choosing between Clotting Factor Concentrates and Non- Factor replacements Speaker: Liane Khoo, Royal Prince Alfred Hospital, NSW Health Pathology, Sydney.	Laboratory approach for Patient's on Emicizumab Speaker: Nongnuch Sirachainan, Ramathibodi Hospital, Mahidol University, Bangkok.	Role of Clinical gait analysis in haemophilia Speaker: Ta-Sen Wei, Changhua Christian Hospital, Changhua.
01:20-01:30 PM	Discussion	Discussion	Discussion
01:30-01:50 PM	Quiz Quiz Master: M Joseph John, Christian Medical College, Ludhiana.	Critical appraisal of Bleeding Time in undiagnosed primary haemostatic disorders in developing countries. Speaker: Rutvi Dave, Christian Medical College, Vellore.	Advances in understanding of haemophilic arthropathy Speaker: Cesar Haddad, Lebanese Association for Haemophilia, Lebanon.
01:50-02:00 PM	Discussion	Discussion	Discussion
02:00-03:00 PM	HALL A	HALL B	
	Free Paper Presentations Co-Chairs: Joyce Lam Ching Mei, KK Women's and Children's Hospital, Singapore. Wong Wan Hui, Singapore General Hospital, Singapore.	Free Paper Presentations Co-Chairs: Judy Ann David, Christian Medical College, Vellore. Penny McCarthy, Ronald Sawers Haemophilia Centre, Melbourne.	

2nd Annual Scientific Meeting of AHAD-AP in collaboration with IAHAD

VIRTUAL SEPTEMBER 16 - 17, 2022

	<p>Reduced- dose Emicizumab in Haemophilia A with inhibitors: Real World experience in Sarwak, Malaysia. <i>Speaker: Lee Ping Chew, Kuching.</i></p> <p>A retrospective study- inhibitors with patients with haemophilia registered at haemophilia centre, Aluva. <i>Speaker: Vijayakumar Narayana Pillai, Ernakulam.</i></p> <p>Perioperative management and outcomes of circumcision in children with haemophilia. <i>Speaker: Citra Saraswati, Jakarta.</i></p> <p>POCUS in Haemophilia. <i>Speaker: Cat Pollard, Auckland.</i></p>	<p>Periphery level training for physiotherapists in India- Aluva HTC experience. <i>Speaker: Dinkar Viswam, Ernakulam.</i></p> <p>Benefits of self -administration of factors in haemophilia patients- in a resource- limited setting. <i>Speaker: Syamraj Santhappan, Ernakulam.</i></p> <p>Effectiveness of Myofascial therapy and Intermittent prophylaxis on joint health in Haemophilic Arthropathy. <i>Speaker: Mridul Makkar, Ludhiana.</i></p> <p>Sexual concerns in young adult persons with haemophilia: a survey based cross sectional study. <i>Speaker: Dejul Dedhiya, Mumbai.</i></p>	
03:00-03:10 PM	<p>Anamnesis: Recap and highlights <i>M Joseph John, Christian Medical College, Ludhiana.</i></p>		
03:10-03:15 PM	<p>Closing Remarks <i>Alison Street, Monash University, Melbourne.</i></p>		

The timings mentioned above are as per the Indian Standard Time (IST).
