

SCIENTIFIC PROGRAM

September 12, 2025, Friday

Time (CST)		
07:00-07:50	Registration	
07:50-08:00	Welcome note	
	Hall A	Hall B
	Scientific Session 1a Theme: Prophylaxis	Scientific Session 1b Theme: Musculoskeletal Management in Haemophilia
08:00-09:15	Co Chairs: Heng Joo Ng , Singapore General Hospital, Singapore Ching-Tien Peng , China Medical University Hospital, Taichung	Co Chairs: Kumiko Ono , Graduate School of Medicine and Faculty of Medicine, The University of Tokyo Ta-Sen Wei , Changhua Christian Hospital, Changhua
08:00-08:25	Alternate dosing strategies of factor mimetics. Speaker: Nuchanun Kessakorn Synphaet Hospital, Nakhonpathom Province, Nakhonpathom.	Ultrasound in Joint Health Monitoring. Speaker: Marcel Prasetyo Dr. Cipto Mangunkusumo Hospital, Jakarta
08:25-08:50	Updates on low-dose prophylaxis in Asia Pacific region. Speaker: Novie Chozie Dr. Cipto Mangunkusumo Hospital Jakarta, Jakarta.	Physical Activity in children with haemophilia. Speaker: Judy Ann David , Christian Medical College Vellore, Vellore
08:50-09:15	Impact of Prophylaxis on Factor and non-factor Utilization and Cost-Effectiveness. Speaker: Shyh-Shin Chiou Kaohsiung Medical University Chung-Ho Memorial Hospital, Kaohsiung.	Pain Management in Chronic Joint Arthropathy. Speaker: Yusuke Inagaki Nara Medical University, Nara
	Scientific Session 2a Theme: Bleeding Disorders of Unknown Cause	Scientific Session 2b Theme: Nursing
09:20-10:10	Co Chairs: Zulaiha Muda , Hospital Tunku Azizah Women Children Hospital, Kuala Lumpur Hui-Chi Hsu , Cheng Hsin General Hospital, Taipei	Chair: Lim Chiew Ying , KK Women's and Children's Hospital, Singapore
09:20-09:45	Approach to diagnosis of patients with bleeding disorders of unknown cause Speaker: Dino Mehic Medical University of Vienna, Vienna	Understanding Women with Bleeding Disorder. Speaker: Penny McCarthy The Alfred hospital, Melbourne.
09:45-10:10	Management of bleeding disorders with unknown cause	Enhancing patient outcomes: The role of the Nurse in Clinical Trials.

	Speaker: Floor Heubel-Moenen Maastricht University Medical Center, Maastricht (Virtual)	Speaker: Abraham Sunder Singh Christian Medical College Vellore, Vellore.
10:10-10:40	Tea Break with Poster viewing	
	Hall A	
10:40-11:20	Plenary 1 Co Chairs: Darintr Sosothikul , Chulalongkorn University, Bangkok Ming-Ching Shen , Changhua Christian Hospital, Changhua	
10:40-11:10	Rebalancing agents for Haemostasis and new paradigm for Haemophilia care. Speaker: Tadashi Matsushita Nagoya University, Nagoya	
11:10-11:20	Discussion	
	Hall A	
11:20-12:20	AHAD-AP Educational Symposium- Supported by Takeda Theme: Management of bleeding in PWH with inhibitors on non-CFC products Chair: Alok Srivastava , St. John's Medical College Hospital, Bengaluru	
11:20-11:22	Welcome and Introduction	
11:22-11:37	Rationale for bypassing agents with different mechanisms of action in treatment of bleeds. Speaker: Alok Srivastava , St. John's Medical College Hospital, Bengaluru	
11:37-11:52	Bypass agents for management of breakthrough bleeds patients with inhibitors on non-factor therapies. Speaker: Darintr Sosothikul , Chulalongkorn University, Bangkok.	
11:52-12:07	Haemostasis management with bypass agents for surgery in patients with inhibitors receiving non-factor therapies. Speaker: Heng Joo Ng , Singapore General Hospital, Singapore.	
12:07-12:20	Discussion	
12:20-13:20	Lunch	
	Hall A	Hall B
	Scientific Session 3a Theme: Ageing and Lifestyle Disorders in haemophilia	Scientific Session 3b Theme: Laboratory
13:20-14:35	Co Chairs: Liane Khoo , Royal Prince Alfred Hospital, Sydney Dong-Tsamn Lin , Taiwan University Hospital, Taipei	Co Chairs: Tien Sim Leng , Singapore General Hospital, Singapore. Ajay Gandhi , BLK-Max Superspeciality Hospital, New Delhi.

13:20-13:45	Cardiovascular Health in Ageing Haemophilia Patients. Speaker: Sang Min Park <i>Eulji University School of Medicine, Seoul.</i>	13:20 13:35	Laboratory monitoring for PwH on factor mimetics (Fitusiran/Emicizumab/Concizumab) Speaker: Nitty S Mathews <i>Christian Medical College Vellore, Vellore.</i>
13:45-14:10	Bone Health and Osteoporosis in Haemophilia. Speaker: Ayse Zengin <i>The Alfred hospital & Monash Medical Centre, Melbourne.</i>	13:35 13:50	When is Inhibitor Positive a False Positive and Prevention-Simpler Tools Speaker: Sukesh C Nair <i>Christian Medical College Vellore, Vellore.</i>
14:10-14:35	HR-QOL & Cognitive Function in Haemophilia. Speaker: Raymond Wong <i>The Chinese University of Hongkong, Hongkong.</i>	13:50 14:35	Diagnosis of VWD at Various settings: Experience Sharing. (10 minutes each) a) Hermi Indita Malewa , RSUD Prof Dr WZ Johannes Kupang NTT, Kupang. b) Chandima Thevarapperuma , Lady Ridgway hospital, Colombo. c) Dinesh Chandra , Sanjay Gandhi Post Graduate Institute of Medical Science, Lucknow Summary of solutions and more cost effective methods towards VWD diagnosis – 5 minutes Q&A – 10 minutes
Hall A			
14:40-15:40	Sponsored Symposium: Sanofi Chair: Shyh-Shin Chiou , Kaohsiung Medical University Chung-Ho Memorial Hospital, Kaohsiung		
14:40-14:45	Welcome and introduction Chair: Shyh-Shin Chiou , Kaohsiung Medical University Chung-Ho Memorial Hospital, Kaohsiung		
14:45-15:05	Latest on rebalancing agents in hemophilia care Speaker: Sheng-Chieh Chou , National Taiwan University Hospital, Taipei.		
15:05-15:25	How can we integrate rebalancing agents into clinical practice? Speaker: Alok Srivastava , St. John's Medical College Hospital, Bengaluru.		
15:25-15:40	Expert insights on hemophilia management with rebalancing agents: An interactive discussion with Q&A		
15:40-16:10	Tea Break with poster viewing		
16:10-17:00	Scientific Session 4a Theme: Surgery in haemophilia	Scientific Session 4b Theme: Women with bleeding disorders	
	Co Chairs: Chee Wee Tan , Royal Adelaide Hospital, Adelaide Shih-Chung Wang , Changhua Christian Children's Hospital, Changhua	Co Chairs: Nguyen Thi Mai , National Institute of Hematology and Blood Transfusion General, Hanoi Pei-Chin Lin , Kaohsiung Medical University Chung-Ho Memorial Hospital, Kaohsiung	

16:10-16:35	Haemostasis Management during Surgery. Speaker: Jiaan-Der Wang <i>Taichung Veterans General Hospital, Taichung.</i>	Diagnosis and Care of Women and Girls with Haemophilia Speaker: Roseline d'Oiron <i>Bicetre Hospital, Paris (Virtual)</i>
16:35-17:00	Surgery in Patients receiving Non-factor Therapy. Speaker: Yushi Chikasawa <i>Tokyo Medical University Hospital, Tokyo.</i>	Management of Inherited Bleeding Disorders in Pregnancy. Speaker: Chuen Wen Tan <i>Singapore General Hospital, Singapore.</i>

September 13, 2025, Saturday

Time (CST)	Hall A	Hall B
08:00-09:15	Scientific Session 5a Theme: Genetics of Inherited Bleeding Disorders	Scientific Session 5b Theme: Nursing Management of Acute Haemathrosis: Beyond Factor Coverage
	Co Chairs: Ma. Angelina Mirasol , University of the Philippines Philippine General Hospital, Manila Shyh-Shin Chiou , Kaohsiung Medical University Chung-Ho Memorial Hospital, Kaohsiung	Chair: Dita Rizkiya Yusnita , Dr Cipto Mangunkusumo hospital, Jakarta
08:00-08:25	Genetic of Inherited Bleeding Disorders-Current Technologies. Speaker: Nguyen Thanh Ngoc Binh National Institute of Haematology and Blood Transfusion, Hanoi.	Counselling at Diagnosis of Bleeding Disorders. Speaker: Yu-Ting Hsu Changhua Christian Hospital, Changhua
08:25-08:50	Variant Origin of Sporadic Haemophilia A. Speaker: Ming-Ching Shen Changhua Christian Hospital, Changhua.	Home based Care for Bleeding Disorders: Strategies to Empower Families. Speaker: Sulochana B. Manipal College of Nursing, Manipal
08:50-09:15	Genetic Analysis of Carrier Status in Female Members. Speaker: Keiko Shinozawa Tokyo Medical University Hospital, Tokyo.	Adolescents and transition to Adult Care: Ensuring continuity and preparedness/ Nursing Management of Acute Haemathrosis. Speaker: Prathiba Purshotaman Penang General Hospital, Penang.
09:20-10:10	Scientific Session 6a Theme: Inhibitor Management	Scientific Session 6b Theme: Comprehensive Care: Current Trends
	Co Chairs: Shiue-Wei Lai , Tri-service General Hospital, Taipei Neeraj Sidharthan , Amrita Institute of Medical Sciences Kochi, Kochi	Co Chairs: Sandeep Albert , Christian Medical College Vellore, Vellore Ching-Yeh Lin , Wuri Lin Shin Hospital, Taichung
09:20-09:40	Current Management of Inhibitors. Speaker: Seung-min Hahn Yonsei University College of Medicine, Seoul.	09:20-09:45 Comprehensive Care Team in the Era of Novel Therapies. Speaker: Leonard A Valentino RushUniversity Medical Center, Chicago (Virtual)

09:40-10:10	Panel Discussion: Management of Inhibitors - Practice Patterns 1. Chean Sophal, <i>National Pediatric Hospital, Phnom Penh, Phnom Penh.</i> 2. Flerida Hernandez, <i>University of Santo Tomas, Manila.</i> 3. Chandima Thevarapperuma, <i>Lady Ridgway hospital, Colombo.</i>	09:45-10:10	Outcome assessment in the Era of Novel Therapies. Speaker: Sheng-Chieh Chou <i>National Taiwan University Hospital, Taipei</i>
10:10-10:40	Tea Break with Poster viewing		
	Hall A		
10:40-11:20	Plenary 2 Co Chairs: Alok Srivastava, <i>St. John's Medical College Hospital, Bengaluru</i> Shyh-Shin Chiou, <i>Kaohsiung Medical University Chung-Ho Memorial Hospital, Kaohsiung</i>		
10:40-11:10	Gene therapy for Haemophilia- Current Status and Future directions Speaker: Wolfgang Miesbach <i>Frankfurt University Hospital, Frankfurt. (Virtual)</i>		
11:10-11:20	Discussion		
	Hall A		
11:20-12:20	Sponsored Symposium: Novo Nordisk APAC		
11:20-11:25	Introduce the sessions and Prof. Hahn Chair: Darintr Sosothikul, <i>Chulalongkorn University, Bangkok</i>		
11:25-11:45	Protecting Joints, Preserving Lives – The Evolv-ing Role of Anti-TFPI in Haemophilia Speaker: Seung-min Hahn, <i>Yonsei University College of Medicine, Seoul.</i>		
11:45-11:50	Introduce the sessions and Penny McCarthy Chair: Darintr Sosothikul, <i>Chulalongkorn University, Bangkok</i>		
11:50-12:05	Living with Haemophilia in 2025: What Do Patients Want from New Therapies Speaker: Penny McCarthy, <i>The Alfred hospital, Melbourne.</i>		
12:05-12:20	Q&A - Panel discussion		
12:20-13:20	Lunch		
	Hall A	Hall B	
13:20-14:35	Scientific Session 7a Theme: Oral Presentation – Clinical	Scientific Session 7b Theme: Oral Presentation –	

	Co-Chairs: Liane Khoo , Royal Prince Alfred Hospital, Sydney Sheng-Chieh Chou , National Taiwan University Hospital, Taipei	Laboratory/MSK/Multi-disciplinary Co-Chairs: Yeu-Chin Chen , Tri-Service General Hospital, Taipei. Judy Ann David , Christian Medical College Vellore, Vellore.
13:20-13:32	Emicizumab Prophylaxis in Children with Haemophilia A: Experience in Northern Peninsular Malaysia Presenter: Ming Ang Penang General Hospital, Pulau Pinang	Integrating Clinical, Laboratory, and Genomic Insights in Hemophilia C: A 25-Year Experience from North India Presenter: Narender Kumar Post Graduate Institute of Medical Education & Research, Chandigarh
13:32-13:44	Efanesoctocog alfa: better protection, longer half-life and shorter activated partial thromboplastin time(aPTT), a single Institute experience Presenter: Wan-Yi Hsu Kaohsiung medical university hospital, Kaohsiung	Multidimensional Phenotyping of Discrepant Hemophilia A: Bridging Diagnostic Discordance Using Functional and Global Hemostasis Assays Presenter: Anusha Thangaraja Christian Medical College, Vellore
13:44-13:56	Lower Dose Emicizumab in Pediatric Hemophilia A: Clinical Outcomes and the Utility of Global Hemostasis Assays Presenter: Neeraj Sidharthan Amrita Institute of Medical Sciences, Kerala	Compliance With Treatment Diary Recording Among Hemophilia Patients and Caregivers at the National Institute of Hematology and Blood Transfusion, Vietnam Presenter: Thi Hien Pham National Institute of Hematology and Blood Transfusion, Hà Nội
13:56-14:08	The three patients who developed factor VIII inhibitor during efanesoctocog alpha prophylaxis in Japan Presenter: Satoshi Higasa Hyogo Medical University Hospital, Nishinomiya	A report of self-infusion workshop among patients and caregivers from the Hemophilia Treatment Center in Jakarta, Indonesia Presenter: Dita Yusnita Dr. Cipto Mangunkusumo Hospital, Jakarta
14:08-14:20	Real-world Experience of Clinical Outcomes of Pre- and Post- Switching to Efanesoctocog alfa Prophylaxis for People with Severe Hemophilia A: A Preliminary Study in Taiwan Presenter: Chia-Yau Chang	An enhanced Functional Independence Score for Haemophilia (e-FISH) for early detection of musculoskeletal changes Presenter: Priya Srikumar Christian Medical College, Vellore

	Taipei Medical University Hospital, Taipei	
14:20-14:32	Intracranial hemorrhage in pediatric hemophilia: clinical characteristics, management, and outcomes Presenter: Tuan Nguyen Children's Hospital, Ho Chi Minh	Joint Health Trajectories in Severe Hemophilia: A Decade of Pettersson Data from Taiwan Presenter: Te-Fu Weng Chung Shan Medical University Hospital, Taichung
	Hall A	Hall B
14:40-15:40	Sponsored Symposium: Chugai Pharmaceuticals Co-Chairs: Jiaan-Der Wang , Taichung Veterans General Hospital, Taichung Tadashi Matsushita , Nagoya University, Nagoya.	Sponsored Symposium: Octa Pharma Chair: Shyh-Shin Chiou , Kaohsiung Medical University Chung-Ho Memorial Hospital, Kaohsiung
14:40-15:10	Improvement in QOL for Hemophilia Patients with Hemlibra ~Clinical Evidence from Japan~ Speaker: Tomoko Yamaguchi Department of Blood Coagulation, Ogikubo Hospital, Tokyo	14:40-14:50 Welcome and Introduction Chair: Shyh-Shin Chiou Kaohsiung Medical University Chung-Ho Memorial Hospital, Kaohsiung
		14:50-15:05 Latest Insights on Inhibitor Management in Haemophilia A. VWD Prophylaxis: Bridging Gaps for Better Outcomes Speaker: Carmen Escuriola-Ettingshausen Rhein Main – HZRM, Frankfurt.
15:10-15:40	The Impact of HEMLIBRA on Hemophilia Patients: Lessons Learned from Real-World Experiences Speaker: Liane Khoo Royal Prince Alfred Hospital, Sydney.	15:05-15:20 Personalising Prophylaxis to Advance Care for People Speaker: Te-Fu Weng Chung Shan Medical University Hospital, Taichung
		15:20-15:35 VWD Prophylaxis: Bridging Gaps for Better Outcomes Speaker: Carmen Escuriola-Ettingshausen , Rhein Main – HZRM, Frankfurt.
		15:35-15:40 Q&A and concluding remarks

15:40-16:10	Tea Break with poster viewing	
16:10-17:00	Scientific Session 8a Theme: Registries and Outcomes Documentation	Scientific Session 8b Theme: Advanced technology
	Co Chairs: Fitri Primacakti , Dr. Cipto Mangunkusumo Hospital Jakarta, Jakarta Jiann-Shiuh Chen , National Cheng Kung University Hospital, Tainan	Co Chairs: M Joseph John , Christian Medical College Ludhiana, Ludhiana Ta-Sen Wei , Changhua Christian Hospital, Changhua
16:10-16:35	Registry Management in Thailand in WBDR. Speaker: Rungrote Natesiriniku Chiang Mai Univesity, Chiang Mai.	Digital Health Solutions for Haemophilia: Remote Monitoring. Speaker: Annette von Drygalski University of California San Diego, San Diego.
16:35-17:00	The use of ABR in assessment of haemophilia – Addressing the challenges. Speaker: Alok Srivastava St. John's Medical College Hospital, Bengaluru	Artificial Intelligence in Imaging. Speaker: Azusa Nagao Kansai Medical University Hospital, Osaka.
18:00-20:30	AHAD-AP ASM-2025 Dinner (Sponsored by Sanofi)	

September 14, 2025, Sunday

Time (CST)	HALL A
08:30-09:45	Scientific Session 9 Theme: Von Willebrand Disease
	Co Chairs: <i>Joyce Lam, KK Women's and Children's Hospital, Singapore</i> <i>Ting-Huan Huang, Hsinchu Municipal Mackay Children's Hospital, Hsinchu</i>
08:30-08:55	Application of Bleeding Assessment Tools. Speaker: Nongnuch Sirachainan <i>Ramathibodi Hospital, Bangkok.</i>
08:55-09:20	Navigating the Maze to Improve Von Willebrand's Testing. Speaker: Jasmina Ahluwalia <i>Postgraduate Institute of Medical Education and Research, Chandigarh.</i>
09:20-09:45	Management of Severe von Willebrand Disease. Speaker: Carmen Escuriola-Ettingshausen <i>Rhein Main – HZRM, Frankfurt</i>
09:45-10:15	Tea Break
10:15-11:30	Scientific Session 10 Theme: Rare Bleeding Disorders
	Co Chairs: <i>Nitty S Mathews, Christian Medical College Vellore, Vellore</i> <i>Ching-Ping Tseng, Chang Gung University, Taoyuan</i>
10:15-10:40	Management of Rare Factor Deficiencies. Speaker: Hsuan-Yu Lin <i>Changhua Christian Hospital, Changhua.</i>
10:40-11:05	Management of Inherited Fibrinogen Disorders. Speaker: Cecil Ross <i>St John's Medical College Hospital, Bengaluru.</i>
11:05-11:30	Management of Inherited Platelet Disorders. Speaker: Shimon Otake <i>Itsbashi Hospital, Tokyo</i>

Time (CST)	HALL A
	Scientific Session 11 Hot Topics
11:30-12:30	Co Chairs: <i>Ryosuke Matsuno, Kansai Medical University Hospital, Osaka</i> <i>Yi-Feng Wu, Tzu Chi University Hospital, Hualien</i>
11:30-11:45	Safety, Pharmacokinetics, and Efficacy of NXT007 Prophylaxis in Persons with Hemophilia A without Inhibitors: Primary Analysis of Phase I/II Study (NXTAGE) Speaker: <i>Yeu-Chin Chen</i> <i>Tri-Service General Hospital, Taipei</i>
11:45-12:00	FRONTIER5 direct switch study: Safety of initiating Mim8 prophylaxis without washout of Emicizumab Speaker: <i>Allison Wheeler</i> <i>Washington Center for Bleeding Disorders, Seattle (Virtual)</i>
12:00-12:15	VELORA Pioneer: first-in-human safety and PK/PD study of HMB-002 in Type 1 Von Willebrand disease Speaker: <i>Liane Khoo</i> <i>Royal Prince Alfred Hospital, Sydney</i>
12:15-12:30	In vitro activity of Inno8 in global hemostatic assays alone and with other hemostatic agents Speaker: <i>Jacob Lund</i> <i>Novo Nordisk A/S, Malov (Virtual)</i>
12:30-12:40	Closing session
12:45 onwards	Lunch and Departure
